Job Showcase
India's Leading Career Events

Introduction to Job Showcase

Job Showcase is a Recruiting/Consulting organization that produces Job Fairs, On-Site recruiting events & Staff Recruiting, Executive Staffing and Head hunting for leading tech and non tech companies. Our mission is to connect Candidates searching for a new career with Companies that are looking for "TOP" Talent. We help our clients staff their organizations with a low "Cost per Hire". We do this through face to face interviews streamlining the recruiting process. The Job Showcase team produces many events per year and is here to serve YOU.

With over 6.5 years as an executive in the Job Placement/Job Fair industry, we have the knowledge to get the job done. Our background is to assist HR professionals and hiring managers in meeting their hiring goals/objectives by providing them with the best quality Job Fairs the market has to offer.

We specifically target top graduates and early career professionals with a maximum of seven years working experience. Our consultants and project leaders have extensive experience in national recruitment and we operate a network of universities, student alumni associations and professional bodies. As a candidate, we offer you real face-to-face interviews where you can assess and be assessed rather than simply applying through a job posting or a website.

Our experience and effectiveness have made us the recruiter of choice for many global companies and high potential candidates.
